End User License Agreement (EULA)

Agreement to This License
You are recommended and required to read the following terms of use before purchasing, installing, using and distributing our product, unless you have any other license agreement signed officially by Regain Software.

If you don't agree to any, or all of the following terms mentioned herein, don't install, copy, use, or distribute any product comes with this license. Simply return the whole product without having to ask for activation key for full refund within 30 days of the date of purchase.

The following terms of use in this license describe the users of each product as well as authorized use of each copy of the product. Unless you own a valid license for single user, you are not permitted to use single licensed copy of this program for this license. Unless you or your company have a valid license for multiple users, you or your company are not authorized to use several licensed copies of the product as mentioned in the documents issued by us when it comes to grant license.

Usage of License
Each Licensed Copy of the recovery program may either be used by multiple users non-simultaneously who are using the program installed individually on their workstation, or by an individual user. This license is not for a concurrent user.

All rights in this software of any kind, which are not granted in the license expressly, are exclusively and entirely reserved by and to Regain Software. You may not lease, rent, translate, modift, decompile, reverse engineer, create, or dismantle derivative works, related to the software, nor allow anyone else to conduct it. You are not authorized to access the softwared offered to others connected with application service provider, service bureau, or any business, nor allow anyone to do it.

Liability Restrictions & Warranty Disclaimer
The program, along with all accomplying tools, data, files, and materials are provided and distributed as is and without any kind of warranties, whether implied or expressed. You, hereby, acknowledge that the best practices will be applied on data processing. It dictactes any program, or software, must be tested properly with non-important data before having reliability on it and you are wholly responsible for the risk of using all the

copies of program covered under this license. The warranty disclaimer consists of the important part of the license.

Regain Software, in no event, does authorize their users or anyone else to use the program in systems or application where the performance failure of this program can possibly cause serious loss of life or physical harm. If you are using any of such purposes, use it on your own and you agree to take responsibility of such risks. Regain Software shall not be responsible for all losses or claims regarding such kind of unauthorized use.

Regain Software our its authorized suppliers, in no event, shall be responsible for any incidental, special, consequential or indirect damages (including damages like, but not limited to, loss of business, loss of information, business interruption, or any such losses), arise with the use or inability in using the product, or chances of failure in providing support services, even if we are advised of the chances of such losses. In such cases, the whole liability of Regain Software shall be limited under any provision to the amount which is actually borne by you for the product.

General

The license defines the complete agreement between the concering parties on the subject and succeeds and merges prior or all other purchase orders, understandings, arrangements and agreements. This license will be controlled by the concerned laws in India. The whole jurisdiction for all the matters regarding the license shall be in courts and end user consents to such venue and jurisdiction. We don't make any third party beneficiaries, herein, of any obligations, promises, or representations. Any waiver of the violation of license will not contribute or constitute by us of any violation in future of any provision in this license.
