

## Regain MBOX to PST Converter Installation/Uninstallation Guide

Since you are introduced to the configuration requirements and features of our MBOX to PST Converter, read on to know how to install this program. Before installing the program, make sure your computer supports the software installer file. If the setup file is not stored on your PC, download it first.

### Installing the Software

After downloading the software installer file, follow these steps to install MBOX to PST Converter in your system -

- Launch the Setup file of Regain MBOX to PST Converter.
- Go through the instructions on your screen.
- Once the software is installed on your computer, it will display the message "Completing Installation of MBOX to PST Converter Setup" on the installation screen.
- Click Finish to finalize the process and launch the software.

### Uninstalling the Software

You may use any of these methods to uninstall the MBOX to PST Converter from your system -

- Uninstall via Control Panel
- Uninstall using Start Menu

**Caution** - Before uninstalling the software, be sure Regain MBOX to PST Converter is no longer in use.

### Uninstalling from Control Panel

Go through the following steps to remove MBOX to PST Converter via Control Panel -

- Click "Start" and Select "Control Panel" to open the "Control Panel" window. \
- Select and open "Add or Remove Programs" icon. It will display the list of programs on your computer.
- Choose MBOX to PST Converter and Click "Remove". It will show a warning message to ask whether you really need to remove it.
- Click "Yes" to continue.
- MBOX to PST Converter will be removed from your computer within seconds.

### Uninstalling from Start Menu

Go through the following steps to remove MBOX to PST Converter from Start menu -

- Click on “Start” button, “All Programs” and then MBOX to PST Converter and Select “Uninstall MBOX to PST Converter”.
- Before processing, it will display a warning message on the screen.
- Click “Yes” to continue.

Again MBOX to PST Converter will be successfully uninstalled.
